

Receipt

I, Abd El Hameed Salem Elghanay, Passport No. 461336, issued from Tripoli, dated 12.04.2004, living in Tripoli, Libya, Salah Eldeen Road. I confirm that I received, on my own, and as being authorized by Mr. Khairy Mohammed Abd Essalam El Zewi – the renter of the renting contract dated 05.10.2006 – for receiving and settling the renting value of the farm (the yard lying at Khellet Alfergana area, Salah Eldeen, Tripoli). I received from Mr. Mohammed Bakri Ahmed Bakri the amount he had received from Mr. Yank Barry who had rented the yard – the amount of fifty thousand USD in cash – as the value of renting the mentioned yard for 5 months, from November 2006 until March 2007. (So that the total renting value paid for the renter for 6 months in advance is sixty thousand USD).

By signing this document, I give the one who rented the yard a receipt for receiving the value in cash as a settlement for the renting value of the mentioned months, in order to give this amount to the mentioned renter.
